MANUEL MANZOTTI

DJ ☆ Music Producer ☆ Audio Engineer

MUSIC PLATFORM

Biography

Based in Germany, Manuel Manzotti is an artist who masterfully blends exotic, oriental, ethnic, dark and experimental sounds into captivating dance rhythms. While his music is rooted in electronic music, he is recognized for his versatility, seamlessly transitioning between genres like Dance, EDM, Organic House, Afro House, Deep House, Progressive House, and Ethnic House. This dynamic fusion of styles gives his music its unique edge, combining and borrowing elements to create an intriguing and fresh listening experience.

From a young age, Manuel was immersed in music, starting as a DJ at clubs and private events. However, his true musical journey began in 2019 with the release of his debut track, *She Wants Me Badly*, in collaboration with Delyno. Determined to climb to the heights of modern music and fulfill his childhood dreams, Manuel enrolled in the prestigious HOFA College in Germany to study audio engineering and music production. This deep dive into the craft will allow him to refine his skills and produce increasingly captivating tracks.

Manuel Manzotti is supported by several renowned artists, music producers, and audio engineers. Among them is Delyno, a highly acclaimed producer with numerous chart-topping hits, whose tracks have reached #1 in multiple European countries. Delyno and Manuel have known each other for many years and continue to collaborate on various projects.

Another key figure in Manuel's career is Pop Rareș, also known as BeatzShack, a distinguished music producer and audio engineer behind the success of many prominent names in both Romanian and international rap. Most notably, Pop Rareș recently worked with the legendary Delinquent Habits. Sharing a close, brother-like bond, Manuel and Pop Rareș have collaborated on numerous projects and consistently support each other's artistic journeys. Both are also currently enrolled at the prestigious HOFA College in Germany, where they are further refining their expertise in music production and audio engineering.

Today, Manuel Manzotti is both an audio engineer and music producer, driven by his dream of dedicating himself entirely to music. With a growing portfolio of original tracks, mixes, and remixes, he is poised to make a lasting impact on the modern music scene.
